

DMI ST. JOSEPH GLOBAL SCHOOL, KARAIKAL

NEWS LETTER FOR JULY - 2024

ACADEMICS

Election :

Election was conducted on 1 st of July. Students those who were interested in participation wrote the test and the high scorers contested in the election campaign. Through voting the candidates were elected as SPL, ASPL, Discipline Leader, Cleanliness Leader, Language leader and Cultural leader. The election was a vibrant demonstration of democratic values and student engagement.

The election saw a 100 % voter turnout, showcasing strong student participation. Votes were counted transparently and the results were announced on 2nd July.

The election was a success, fostering a sense of responsibility and leadership among the students. The newly elected leaders are expected to uphold the school's values and work collaboratively to achieve their goals for the academic year.

TRIPLE CEREMONY

Triple Celebrations: Investiture Ceremony, House Inauguration, and Club Inauguration

On 4th July, our school celebrated three significant events: the Investiture Ceremony, House Inauguration, and the Inauguration of various student clubs. Elected candidates were honored. All the club activities were inaugurated by honorable chief guest Mr. P. Balachandren (Superintendent of Police) and parental guest Prof. Dr. P. PUGALENDI. This grand event marked a milestone in fostering leadership, camaraderie, and holistic development among our students.

The event began with the solemn Investiture Ceremony, where the newly elected School President (SPL), Assistant School President (ASPL), and other student leaders took their oaths. The Principal pinned badges on the leaders, symbolizing their responsibilities. Each house was introduced, and house captains and vice-captains were inaugurated. The houses aim to promote teamwork, sportsmanship, and healthy competition through various inter-house activities.

The final segment of the celebrations was the Inauguration of various student clubs. These include the Debate Club, Quiz Club, Tamil Club, English Club, and Science Club. The celebrations included cultural performances by students, adding vibrancy and joy to the event.

The triple celebrations were a resounding success, inspiring students to take on leadership roles, work collaboratively in their houses, and actively participate in club activities. These events set a positive tone for the academic year, promising a dynamic and enriching school environment.

YELLOW DAY

On 10th July, SIS. Shybi lit the lamp, students recited rhymes, participated in fancy dress with yellow theme, yellow color snacks and lunch was exhibited. yellow day dance was performed by the students and the day concluded with yellow day speech.

Yellow Day is a delightful and vibrant celebration aimed at introducing kindergarten children to the color yellow and its significance. The day is designed to be fun-filled and educational, fostering creativity, sensory development, and color recognition. Classrooms and activity areas are adorned with yellow balloons. Children and teachers wear yellow clothes to embody the theme fully.

MEETINGS:

PARENT AND TEACHER MEETING:

Parent - Teacher meeting was conducted on 13-07-24. Grade X parents came to see their wards performance in PA-3. The Parent-Teacher Meeting (PTM) for Grade X aims to provide a comprehensive overview of students' academic progress, address any concerns, and foster a collaborative approach between parents and teachers to support the students' educational journey.

Each subject teacher discusses students' performance, highlighting strengths and areas needing improvement.

TOPPERS AND BLOOMERS MEETING

Toppers and bloomers were encountered with the Principal. Motivations were given for bloomers and the toppers were appreciated and given some ideas to score the highest marks in all the subjects. The students expressed the difficulties of learning and expected more worksheets should be given.

PARENT AND TEACHER MEETING - GRADE VI TO IX AND KG'S

Parent - Teacher meeting was conducted on 27-07-24. The parent-teacher meeting commenced with a warm welcome to all the parents. To discuss the recent exam performance of the students and to introduce the IIT Foundation course.

The purpose of the IIT Foundation course was explained, emphasizing its role in preparing students for competitive exams like IIT - JEE from an early stage.

KAMARAJAR DAY:

On 15th July, In remembrance of our former chief minister the day was celebrated. The celebration of Kamarajar's birthday as Educational Development Day aims to honor the contributions of K. Kamaraj, the former Chief Minister of Tamil Nadu, who played a pivotal role in enhancing the education system in India.

Started with a special assembly featuring a tribute to Kamaraj, including speeches on his life and contributions. Students perform role plays and skits that depict significant events in Kamaraj's life and his dedication to improving the education system. Primary students came in kamarajar's dress.

Encourage students to reflect on the day's activities and the importance of education in their lives. Inspire students to commit to their educational goals, drawing inspiration from Kamaraj's legacy.

ACADEMIC IMPLEMENTATION

LISTENING ACTIVITY

On 1st week of July listening activity were conducted to the students. Our school organized a series of listening activities designed for students of all grades. These activities aimed to enhance students' listening skills and comprehension abilities, which are crucial for their academic growth. Each student received a worksheet tailored to their grade level, containing a variety of listening exercises.

Teachers guided the students through the activities, ensuring they understood the tasks and encouraging active participation. The exercises were designed to be engaging and interactive, fostering a fun learning environment. Overall, the listening activities were well-received by students and teachers alike.

They provided an excellent opportunity for students to practice and improve their listening skills in an enjoyable and structured manner.

On 2nd week of July PA-1 Exam was conducted from I to IX. For Grade X daily revision test was conducted and for toppers and bloomers everyday two questions have been given as home test.

ASSESSMENT

Our school organized the SAFAL exam for students in Grade IX. SAFAL, which stands for "Student's Assessment for Facilitating Analysis and Learning," is a comprehensive examination aimed at assessing students' academic proficiency and identifying areas for improvement. The exam was conducted under strict supervision to ensure fairness and integrity. Students were evaluated on various subjects, including Mathematics, Science, depending on their grade level. The exam format included multiple-choice questions, short answer questions, and problem-

solving tasks designed to gauge students' knowledge and analytical skills. The purpose of the SAFAL exam was to provide valuable feedback to both students and teachers on academic strengths and weaknesses. It aimed to guide future teaching strategies and curriculum adjustments to better meet the educational needs of our students. The SAFAL exam was a beneficial experience for Grade IX students, contributing to their academic growth and development.
